CONCEPT OF SHARING

At Bar Iberico, our food embraces the tapas concept of sharing, designed for you to explore our dishes and sample a variety of plates.

Your selection of plates will arrive as they're ready - we recommend you enjoy the dishes when they arrive rather than waiting for the full selection of your tapas feast.

We'll send the appropriate no. of each dish for your party size, depending on which menu you choose.

Desserts are not included in the set menu price but can be ordered on the day of your booking when you've finished your tapas selection. Enjoy our selection of sweet dishes at a discounted price to our restaurant menu.
